

CMDP – Chamber Member Discount Program

What Is CMDP?

Chamber Member Discount Program (CMDP) is an exclusive club only for members of the Greater Bluefield, Princeton Mercer County and Tazewell Area Chambers of Commerce. If you are a member of the Chamber, you are automatically a member of the CMDP, with no additional costs or fees. CMDP members receive discounts from participating Chamber member companies on goods and services. These are special discounts for Chamber members only and are not offered to the general public.

How Does CMDP Work?

Each of the Bluefield, Princeton and Tazewell Area Chamber's approximate 1000 members will be issued a Membership Identification Card along with a list of the participating members who offer discounts. Your company may also take advantage of the CMDP by offering its own discounts to fellow Chamber members.

What's in It for Me?

The Chamber Member Discount Program benefits you, the Chamber member, in two ways. As a member of the Chamber, you receive valuable discounts and special offers simply by doing business with a fellow member. There are no extra costs or fees – no catches-just great savings. This encourages member-to-member purchasing and local buying, which are both important to our area and to the Chamber. As a member offering a discount in the CMDP program, you increase your business among Chamber members and encourage member-to-member buying. This not only gives you the chance to gain a new and possibly life-long customer, but also provides an opportunity for valuable word-of-mouth advertising.

How Can I Participate in CMDP?

Each member of the Bluefield, Princeton and Tazewell Chamber will receive the Member Identification Card along with a list of participating members and their discounts. To obtain additional cards for your employees, contact the Chamber office. There will be a small fee, per card, for employers who need more than 15 cards.

If you are interested in participating in the discount program, simply complete the enclosed CMDP form by January 31, 2008. All discounts will be printed for distribution in February and offers will be valid through February 28, 2009.
